ECONOMY SHEET

Standard Line

The Economy Sheet is inexpensive, has improved fiber strength, and will provide a smooth packaging surface. This product is comprised of 100% recycled fibrous paperboard from products made only in North America. We have designed this product specifically to resist damage, dirt, and other harmful elements while in transit. This is the most economically priced product line and we will always guarantee a low price. **The Economy Sheet will vary in shades of gray or brown, though non-specific colors and coatings are available.**
