

## N.A.L. ANTI-SKID PRODUCTS

Anti-Skid Linerboard has many packaging applications due to the high coefficient of friction.

PowerGrip is used between layers of goods, PowerGrip is the perfect solution to reduce movement and shifting of your packages.

The Anti-skid linerboard performs exceptionally well when transporting items by limiting the shifting and slipping out of position.

## PowerGrip Anti-Slip Sheet

The perfect solution to stabilize your bags, cartons or any kind of packaging.
